31 Figures for previous year have been re-arranged/regrouped wherever necessary to make them comparable.

32 The figures are rounded to in Lakhs.

33 SIGNIFICANT ACCOUNTING POLICIES

(A) General Information

The Company is engaged in the business of providing various goods & services to Central & State Government, PSU and other Private Enterprises. The company also participates in various tenders and execute the work based on the prescribed schedule of the customer.

(B) Basis of Preparation of financial statement

(i) The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP) under the historical cost convention on the accrual basis. The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (accounts) Rules, 2014. Accounting policies have been consistently applied by the company and are consistent with those used in the previous year except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard required a change in the accounting policy hither to in use.

(C) Use of Estimates

The preparation of financial statements in conformity with the generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any difference between the actual result and estimates are recognized in the period in which the results are known / materialised. Any revision to accounting estimates is recognized prospectively in current and future periods.

(D) Cash and Cash equivalents

Cash and Cash equivalents for the purpose of cash flow statements comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

[Handwritten Signature]

(E) Property, Plant & Equipment and Depreciation

(i) Property, Plant & Equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost of acquisition is inclusive of purchase price, inward freight, duties, taxes, installation expenses and any directly attributable cost of bringing the assets to their working condition for intended use which is capitalized till the assets are ready to be put to use. Subsequent expenditure related to an item of Tangible assets are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

(ii) The depreciation on Property, Plant & Equipment has been provided on the Straight Line Method either as per the useful life prescribed in Schedule II to the Companies Act, 2013 or as per technical estimates of useful life. Depreciation on the property, plant & equipment added / disposed off / discarded during the year has been provided on pro rata basis with reference to the date of addition / disposition / discardation.

(iii) Intangible assets are identified when the assets are expected to provide future enduring economic benefits. The assets are identified in the year in which the relevant asset is put to use in the production or supply of goods or services. The assets are amortised over a period of estimated useful life as determined by the management.

(F) Revenue Recognition

(i) The Company recognises revenue from sale of goods when the goods are delivered and titles have been passed at which time all the following conditions are satisfied:

- The Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- The amount of revenue can be measured reliably;
- It is probable that the economic benefits associated with the transaction will flow to the Company; and
- The costs incurred or to be incurred in respect of the transaction can be measured reliably

(ii) Revenue in respect of other income is recognized when no significant uncertainty as to its determination or realization exists.

(iii) Expenses and Income considered payable and receivable respectively are accounting for on accrual basis.

(iv) Interest income is recorded on a time proportion basis taking into account the amounts invested and rate of interest.

(G) Foreign Currency Transactions

(i) Transactions in foreign currency are recorded at the exchange rate prevailing on the date of transaction or at the rates covered by the forward contracts. Monetary assets & liabilities denominated in foreign currency are translated into Indian Rupees at the rate of exchange prevailing at the balance sheet date

(ii) Non monetary items which are carried in terms of historical cost denominated in foreign currency are reported using the exchange rate at the date of transaction.

(iii) Exchange difference arising at the settlement of monetary items or on reporting the company's monetary items at the rate different from those at which they were initially recorded during the period or reported in previous financial statement are recognized as income or as expenses in the period in which they arise except in case of Long Term Liabilities.

(H) Investment

Long term Investments are stated at cost. Provision for diminution in the value of long-term investment is made only if such a decline is other than temporary in opinion of the management.

(I) Borrowing Cost

(i) Borrowing cost directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as a part of that asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

(ii) Borrowing cost other than those directly attributable to the acquisition, construction or production of a qualifying asset are recognized as an expense in the period in which they are incurred.

(J) Employee Benefit

(i) Short term employee benefits are recognised as an expense at the undiscounted amounts in the Statement of Profit & Loss for the year in which the related service is rendered .

(ii) Liabilities in respect of defined benefit plans - Gratuity and Leave Encashment are determined based on actuarial valuation made by an independent actuary as at the balance sheet date and expenses is recognised based on the actuarial valuation. The actuarial gains or losses arising during the year are recognised in the Statement of Profit & Loss of the year.

(K) Earning Per Share

The company reports basic and diluted earning per share (EPS) in accordance with the Accounting Standard specified under Section 133 of the Companies Act read with Rule 7 of the Companies (Accounts) Rules, 2014. The Basic EPS has been computed by dividing the income available to equity shareholders by the weighted average number of equity shares outstanding during the accounting year. The diluted EPS has been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the end of the year.

[Handwritten signature]

(L) Taxation

- (i) Provision for Income tax is made on the basis of the estimated taxable income for the current accounting period in accordance with the Income- Tax Act, 1961.
- (ii) The deferred tax for timing differences between the book profits and tax profits for the year is accounted for using the tax rates and laws that have been enacted or substantially enacted as of the balance sheet date. Deferred tax assets arising from timing differences are recognized to the extent there is a virtual certainty that these would be realized in future and are reviewed for the appropriateness of their respective carrying values at each balance sheet date. Deferred tax is computed in accordance with Accounting Standard 22- "Accounting for Taxes on Income" issued by the Institute of Chartered Accountants of India.

(M) Impairment of Assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the assets belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss . If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed ,and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

(N) Provision & Contingent Liability and Contingent Assets

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognized nor disclosed. Provisions, Contingent liabilities and Contingent assets are reviewed at each Balance Sheet date.

(O) Segment Reporting

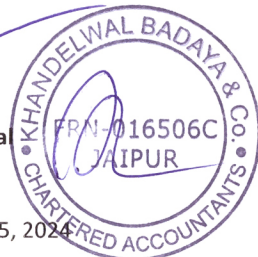

The main business of the Company is providing comprehensive solutions across various domains. We specialize in EPCM (Engineering, Procurement, Construction and Management), System Integration (SI) specifically in EdTech (revolutionising teaching & learning through innovative methods), Renewable Energy, HDPE Manufacturing, Skill Development, and ITES, among others and company has recognised its segment as per AS-17 and its accounting policies are elaborated in Note No. 29.

(P) Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current.

The notes referred above form an integral part of the Financial Statements.
